

# PLAN

## CONSTRUCTION AND DEMOLITION DEBRIS DIVERSION PLAN

### Contact Information:

City of Lathrop - Department of Public Works  
 390 Towne Centre Drive, Lathrop, CA 95330  
 (209)941-7430 Fax (209) 941-7449

- Step 1: Identify materials to be reused, recycled or disposed of at landfill by checking the correct box.
- Step 2: Identify how the materials will be handled, either source separated or mixed.
- Step 3: Identify who will be hauling the material (Self-Haul, Contracted Service Provider Name)
- Step 4: Identify where the materials will be disposed of and/or recycled (Material Destination)
- Step 5: Submit completed plan to The City of Lathrop Public Works Department at 390 Towne Centre Road, Lathrop, CA 95330

<b>Other</b>							
<b>Sample: Insulation</b>			<b>X</b>	<b>X</b>		<b>Republic Services</b>	<b>Republic Services Landfills</b>

I have read the City of Lathrop's Construction & Demolition requirements and the Waste Diversion Section of the Cal Green Standards and acknowledge that I am responsible for complying with the requirements of its terms and conditions by ensuring, at minimum, **65% of the waste generated from my project is recycled** and that I must save all **WEIGHT RECEIPTS** to demonstrate compliance. A permit(s) will not be issued until this completed Diversion Plan is approved.
