Garden hose timer	<b>FREE</b>	
Irrigation timer	<b>Up to \$100</b>	
Sprinkler System (includes timer up to \$100 and permit fees)	<b>\$250</b>	

#### Free Item Process:

1. Fill out application and mail or drop off to City of Bishop Public Works.
2. If application is approved, applicant may pick up free items at City of Bishop Public Works Department.

#### Rebate Process:

1. Fill out application and mail or drop off to City of Bishop Public Works.
2. Call or come into City of Bishop Public Works to set up an onsite pre-installation inspection with City of Bishop Public Works authorized personnel.
3. Once application is approved, you will be contacted and your item can be installed. The applicant has 60 days from the date of application to provide proof of installation. *Proof of payment must be attached to Water Conservation Incentive Program contract.*
3. Call or come into City of Bishop Public Works to set up a post-installation inspection.
4. Rebate check is mailed to applicant.

# PROGRAM CONTRACT

## Terms and Conditions:

- Eligible sprinkler systems are required to include an irrigation timer and backflow device installed as part of their system to qualify for the rebate. A plumbing permit will be required for installation of sprinkler system.
- Applicant must install or contract to have products installed according to manufactures directions.
- Applications are processed in the order they are received and are limited to one per customer and by available funding.
- Rebates may not exceed the cost of the item. Installation costs are not covered.
- Eligible properties may not have current delinquencies on their water/sewer bill.

*I certify I am using the approved items on the property listed, the information on this application is true and correct, and I have read, understand and agree to the terms of the program as stated above.*
