

ECONOMIC RECOVERY PROGRAM FOR RESTAURANTS, WINE TASTING ROOMS, & RETAIL BUSINESSES

The **Economic Recovery Program** is intended to offer businesses flexibility with their seating, retail arrangements, and staffing to cope with the new demands caused by COVID-19. It allows businesses a temporary period when some use permit conditions may be modified, such as allowing limited additional seating on patios or walkways, in designated public open space, or on adjacent lawn, beyond the maximum approved seat count identified in the business' use permit.
