## **RESIDENTIAL ROLL OFF CONTAINER BIN RESTRICTIONS**

1. Bin rentals require a \$600.00 pre-paid deposit. A \$328.42 pulling fee + \$56.28 / ton tipping fee will be deducted from the deposit. Customer will have either a credit or balance due depending on tipping fee. If customer is current on their City account, they may bill to account for balance due. If customer does not have a City account or their account is not current, the credit card below will be charged with balance due or customer will be issued a check with the refund. Any requests for extra dumps will require an additional deposit fee.

2. Bin Rentals are for a two week period. **Bin will be automatically picked up as early as 6:00 a.m. at the end of two weeks.** 24-hour notice required for early pick up. There will be a per day fee charge for any time over the two-week rental period. A return trip charge will be assessed for any bins that are unserviceable (minimum charges are \$54.95 / ½ hour).

3. Do not fill bin over the maximum fill line. An additional charge shall be assessed for any amount of refuse that is over the top of the line. Customers are responsible to offload materials in an overloaded bin and a return trip charge will be assessed. An additional charge will apply for any infractions including overweight and overloaded bins (minimum charges are \$54.95 / ½ hour).

4. Dirt, roofing tiles, sod, cement (no wire, rebar or exposed metal) and asphalt may be placed in a 10 yd bin specifically designed for that purpose only. There will be an extra charge for cement with wire or rebar.

5. Composition Roofing must be placed in a 16 yd bin only. Wood shake is allowed in any size bin from 16 yd to 40 yd.
