CONTRACT PROVISIONS FOR PREVAILING WAGES

PREVAILING WAGES

Attention is called to the fact that this project is a public work as defined in the California Labor Code. As such, not less than the general prevailing rate of per diem wages and the general prevailing rates for holiday and overtime work shall be paid on this project. Contractors shall be responsible for compliance with all prevailing wage provisions found in California Labor Code Sections 1720 through 1861.

Copies of the General Prevailing Wage Determinations (DIR Wage Index 2022-2) made by the California Director of Industrial Relations in effect for this project and accompanied by a City of San Jose cover sheet are available at the City's Office of Equality Assurance, 200 East Santa Clara Street, 5th Floor, San Jose CA 95113-1905. All questions regarding prevailing wage requirements are to be directed to the Office of Equality Assurance at 408-535-8430.

Electronic Payroll Submittal

The City of San Jose's Office of Equality Assurance requires all contractors and subcontractors performing work under contract for the City of San Jose to submit certified payroll reports and labor compliance documents in PDF form via e-mail.

All labor compliance documentation, including but not limited to, certified payrolls, fringe benefit supporting documents, and DAS 140/142 documents, should be submitted to the assigned Contract Compliance Specialist e-mail. After a contractor has been awarded a project, OEA staff will provide the contractor with project specific e-mail credentials and training opportunities. To protect worker privacy, any documents containing personally identifying information (e.g. certified payroll reports, fringe benefit verification documents) must be encrypted and a password provided to the Contract Compliance Specialist. For encryption instructions, visit <https://home.treasury.gov/how-to-encryptpassword-protect-microsoft-office-and-adobe-acrobat-pdf-documents>.

For questions regarding and/or technical use questions, please contact the Office of Equality Assurance at 408-535-8430.

APPRENTICESHIP

Public works apprenticeship requirements (California Labor Code 1777.5) apply to this project. Compliance forms required by general and subcontractors are as follow:

DAS 140: Must be completed within 10 days of the contract being awarded. One form is sent to the Apprenticeship Committee for each union craft.

DAS 142: Contractor may use own form or letter with the same information, but a written request is the only way to prove that you are following the rules. The California Code of Regulations [Title 8, § 230.1 (a)] states that a contractor will not be considered to be in violation if apprentices are not dispatched within 72 hours of a written request (excluding Saturdays, Sundays, and holidays).

Apprentices must be registered with a certified apprentice program.
