

Early Renewal

REMINDER

The Department of Pesticide Regulation (DPR) will mail out renewal packets in August to license and certificate holders with surnames or business names starting with the letters A-L.

AVOID PROCESSING DELAYS

Submitting earlier allows DPR staff additional time to deal with issues or problems that could delay processing your license.

SUBMIT BY OCTOBER

Please mail your application before November so that your license or certificate can be issued before it expires. Submit before October, and be renewed by early December to register with the County before the New Year.

RENEW QP EARLY

For pest control businesses, the qualified person must be renewed before the business license can be processed. Submit renewals at the same time **before** November.

If you do not receive your application in the mail, scan the QR to visit our web site and download a copy.

If you need to contact Licensing at LicenseMail@cdpr.ca.gov, don't forget to include your full name (First MI. Last) and license number(s) so staff can assist you faster.
