II. PROPOSAL CONDITIONS

A. Authorized Signatures

All proposals must be signed by an individual authorized to bind the Proposer to the provisions of the RFP.

B. Term of Offer

Proposals shall remain open, valid and subject to acceptance anytime within nine (9) months after the Proposal submission.

C. Incurred Costs

The County is not obligated to pay any costs incurred by Proposer in the preparation of a Proposal in response to this RFP. Proposers agree that all costs incurred in developing a Proposal are the Proposer's responsibility.

D. Amendments/Addendums to RFP

The County reserves the right to issue amendments or addendums to this RFP if the County considers that changes are necessary or additional information is needed.

Changes to a Proposal or withdrawal of a Proposal will only be allowed if a request is received prior to the Deadline for Proposals. No amendments or withdrawals will be accepted after the Deadline for Proposals.

E. Best Value Evaluation

As established in this RFP, the County realizes that criteria other than price are important and will award contract(s) based on the Proposal that best meets the needs of the County.

F. Right of Rejection

Offers must comply with all of the terms of the RFP, and all applicable local, state, and federal laws, codes, and regulations. The County may reject as non-responsive any Proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP. Further, the County may reject a Proposal from any entity that is a parent, affiliate, or subsidiary, or that is under common ownership, control, or management with any other entity submitting a Proposal in response to this RFP.

A Proposer may not qualify the Proposal nor restrict the rights of the County. If Proposer does so, the Proposal may be determined to be a non-responsive counter-offer and the Proposal may be rejected.

No Proposal shall be rejected, however, if it contains a minor irregularity, defect or variation. If the irregularity, defect or variation is considered by the County to be immaterial or inconsequential, the County may choose to accept the Proposal.

Minor irregularities may be waived by the Purchasing Agent when they are any of the following:

1. Do not affect responsiveness;
2. Are merely a matter of form or format;
3. Do not change the relative standing or otherwise prejudice other offers;
4. Do not change the meaning or scope of the RFP;
5. Are trivial, negligible, or immaterial in nature;
6. Do not reflect a material change in the work; or
7. Do not constitute a substantial reservation against a requirement or provision.

In such cases the Proposer will be notified of the deficiency in the Proposal and given an opportunity to correct the irregularity, defect or variation or the County may elect to waive the deficiency and accept the Proposal. The decision to provide a waiver shall in no way modify or compromise the overall purpose of the submittal, nor excuse the Proposer from compliance with all requirements if awarded a Contract.

This RFP does not commit the County to award a contract. The County reserves the right to reject any or all Proposals if it is in the best interest of the County to do so. The County also reserves the right to terminate this RFP process at any time.

G. Local Preference

Local Preference The County of San Bernardino has adopted a Local Preference Policy. A local preference of five percent (5%) shall be applied in the cost evaluation of proposals or bids for goods, services, equipment, or a minor public work project, unless an exemption applies. In a price-based bid, five percent (5%) will be deducted from the local vendor's proposed cost for the purpose of comparison when the local vendor's proposed cost is not the lowest. If the local vendor's bid is equal to or lower than the price of an otherwise successful non-local vendor after the 5% preference is applied, the local vendor will be given the opportunity to match the lowest quoted price. In a best value evaluation, five percent (5%) of the awardable points for cost will be added to the local vendor's score. If the local vendor's overall score is equal to or lower than that of an otherwise successful nonlocal vendor, the local vendor will be recommended for award.

"Due to the evaluation of qualitative elements along with cost in a best value evaluation, application of local preference for cost proposals may not result in award to a local vendor with the lowest cost after applying local preference."

Local Vendor - A local vendor is any vendor, contractor or consultant (hereafter "vendor") that meets all of the following requirements:

1. Vendor's main office (headquarters) or a major regional office is located within the County;
2. Vendor employs a minimum of 25% of the vendor's full-time management employees and 25% of its full-time regular employees working from the San Bernardino County location(s);
3. Vendor employs one full-time or two part-time employees with primary residence in the County;
4. Vendor's "point of sale" for purposes of reporting sales tax to the State Board of Equalization is within the boundaries of the County. The payment of any local share of sales tax must go to the County or a city within the County. If the local business has more than one sales office in the State of California, the office located in the County shall be the point of sale for sales tax calculation;
5. Vendor is not delinquent in any taxes or other payments to the County;
6. Vendor possesses a valid and verifiable business license (if required);
7. Vendor has been open and established for at least six months prior to the issuance of the solicitation;
8. Vendor can demonstrate on-going business activity in the field of endeavor on which they are proposing from that office during the preceding six months;
9. Vendor has not within five years prior to the solicitation admitted guilt or been found guilty by any court or state or federal regulatory enforcement agency of violation of any criminal law or any law or regulation regarding fraud;
10. Vendor is not federally debarred; and
11. Vendor is not suspended or debarred from participation in doing business with the County, in the scope of work that is the subject of the solicitation.
12. Local Vendor Self-certification – Documentation provided

Local Vendor self-certification form is required for any bid or proposal when a local preference is claimed affirming that it meets each of the above stated criteria, and signed by a vendor representative with the authority to obligate the company under penalty of perjury. (See Attachment)

H. Clarification of Offers

In order to determine if a Proposal is reasonably susceptible for award, communications by the Facilitator for the evaluation panel are permitted with a Proposer to clarify uncertainties or eliminate confusion concerning the contents of a Proposal. Clarifications may not result in a material or substantive change to the Proposal. The evaluation by the panel may be adjusted as a result of a clarification under this section.

I. Public Records Act

All Proposals and other material submitted become the property of the County and are subject to release according to the California Public Records Act (Government Code §6250). All Proposal information, including cost information, will be held in confidence during the evaluation and negotiation process. Thereafter, Proposals are subject to becoming a non-exempt public record.

If a Proposer believes that any portion of its Proposal is exempt from public disclosure, it must indicate the specific portions believed to be confidential and not subject to disclosure on Attachment I - Public Records Act Exemptions. The Proposer also must include a brief description that sets out the reasons for exemption from disclosure. Each stated exemption must include a citation to supporting legal authority, including statutory authority or case law, to support exemption from the Public Records Act. Requested exemptions that do not meet the requirements of this section will not be considered.

The County will use reasonable means to ensure that such information is safeguarded, but will not be held liable for inadvertent disclosure of the information. Proposals marked "Confidential" in their entirety will not be honored, and the County might not deny public disclosure of any portion of Proposals so marked.

By submitting a Proposal with portions identified in Attachment I as "Confidential," Proposer represents that it has a good faith belief that such portions are exempt from disclosure under the Public Records Act. Proposer may be requested to obtain legal protection from disclosure should a Public Records Act request be received. In the event the County does not disclose the information marked "Confidential," Proposer agrees to reimburse the County for, and to indemnify, defend (with counsel approved by County) and hold harmless the County, its officers, employees, agents, and volunteers from and against any and all claims, damages, losses, liabilities, suits, judgments, fines, penalties, costs and expenses, including without limitation, attorneys' fees, expenses and court costs of any nature arising from or relating to the County's non-disclosure of any such designated portions of a Proposal.

J. Employment of Former County Officials

Information must be provided in Attachment G regarding former County Administrative Officials (as defined below) who are employed by or represent Proposer. The information provided must include a list of former County Administrative Officials who terminated County employment within the last five years and who are now officers, principals, partners, associates or members of Proposer and should also include the employment and/or representative capacity and the dates these individuals began employment with or representation of Proposer. For purposes of this section, "County Administrative Official" is defined as a member of the Board of Supervisors or such member's staff, Chief Executive Officer or member of such officer's staff, County department or group head, assistant department or group head, or any employee in the Exempt Group, Management Unit or Safety Management Unit.

Failure to provide this information may result in the Proposal being deemed non-responsive.

K. Iran Contracting Act of 2010

In accordance with Public Contract Code section 2204(a), the Proposer certifies that at the time the Proposal is submitted, the Proposer signing the Proposal is not identified on a list created pursuant to subdivision (b) of Public Contract Code section 2203 (<http://www.dgs.ca.gov/pd/Resources/PDLegislation.aspx>) as a person (as defined in Public Contract Code section 2202(e)) engaging in investment activities in Iran described in subdivision (a) of Public

Contract Code section 2202.5, or as a person described in subdivision (b) of Public Contract Code section 2202.5, as applicable.

Proposers are cautioned that making a false certification may subject the Proposer to civil penalties, termination of an existing contract, and ineligibility to bid on a contract for a period of three (3) years in accordance with Public Contract Code section 2205. Proposer agrees that signing the Proposal shall constitute signature of this Certification.

L. Disclosure of Criminal and Civil Proceedings

The County reserves the right to request the information described herein from the Proposer selected for Contract award. Failure to provide the information may result in a disqualification from the selection process and no award of Contract to the Proposer. The County also reserves the right to obtain the requested information by way of a background check performed by an investigative firm. The selected Proposer may also be requested to provide information to clarify initial responses. Negative information provided or discovered may result in disqualification from the selection process and no award of Contract.

The selected Proposer may be asked to disclose whether the firm, or any of its partners, principals, members, associates or key employees (as that term is defined herein), within the last ten years, has been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense arising directly or indirectly from the conduct of the firm's business, or whether the firm, or any of its partners, principals, members, associates or key employees, has within the last ten years, been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense involving financial misconduct or fraud. If the response is affirmative, the Proposer will be asked to describe any such indictments or charges (and the status thereof), convictions and the surrounding circumstances in detail.

In addition, the selected Proposer may also be asked to disclose whether the firm, or any of its partners, principals, members, associates or key employees, within the last ten years, has been the subject of legal proceedings as defined herein arising directly from the provision of services by the firm or those individuals. "Legal proceedings" means any civil actions filed in a court of competent jurisdiction, or any matters filed by an administrative or regulatory body with jurisdiction over the firm or the individuals. If the response is affirmative, the Proposer will be asked to describe any such legal proceedings (and the status and disposition thereof) and the surrounding circumstances in detail.

For purposes of this provision "key employees" includes any individuals providing direct service to the County. "Key employees" do not include clerical personnel providing service at the firm's offices or locations.

M. Debarment and Suspension; California Secretary of State Business Entity Registration

Proposer certifies in Attachment D that neither it nor its principals or subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. (See Attachment D and the following United States General Services Administration's System for Award Management website <https://www.sam.gov>). Proposer also certifies in Attachment D that if it or any of the subcontractors listed in the Proposal are business entities that must be registered with the California Secretary of State, they are registered and in good standing with the Secretary of State.

A Contract will be awarded based on a selection of Proposals received. The contents of the Proposal of the successful Proposer will become contractual obligations and failure to accept these obligations in a Contract may result in cancellation of the award.

In the event a dispute arises concerning the Proposal process prior to the award of the Contract, the Proposer raising the dispute shall submit a request for resolution in writing to the Purchasing Agent. Proposer may appeal the recommended award or denial of award (Protest), provided the Protest:

2. Is submitted within five (5) calendar days of the issuance date of the NOIA.

A Protest can only be brought on the following grounds:

1. Failure of the County to follow the selection procedures and adhere to requirements specified in the RFP or any addenda or amendments.
2. Violation of conflict of interest as provided by California Government Code Section 87100 et seq.
3. Violation of State or Federal law.

Protests will not be accepted for any other reasons than those stated above. All Protests must be sent to:

Valerie Clay, Interim Director
San Bernardino County
Purchasing Department
777 E. Rialto Avenue
San Bernardino, CA 92415-0760

Upon receipt of the formal Protest, the Purchasing Agent, or his/her designee, will attempt to resolve the Protest. A Protest shall be disallowed when, in the judgment of the Purchasing Agent it has been submitted: (1) as a delay tactic; (2) for the purpose of posturing the Proposer advantageously for future procurement; (3) in a form that deviates from the one prescribed; (4) without adequate factual basis or merit; or (5) in an untimely manner.

The Purchasing Agent shall make a decision concerning the appeal, and notify the Proposer submitting the Protest, within a reasonable timeframe prior to the tentatively scheduled date for awarding the Contract. The decision of the Purchasing Agent shall be deemed final.

Alternatively, at the Purchasing Agent's discretion, an Appeal Panel consisting of five (5) members appointed by the Purchasing Agent shall hear the Protest. The Proposer will be provided reasonable notice of the time, date and location of the hearing. In the event that a protesting Proposer does not appear at the Protest hearing as scheduled, the Protest will be disallowed.

The hearing is informal, in that it is not subject to the strict rules of evidence or procedure, and live witnesses, if any, will not be sworn. All relevant evidence is admissible, including hearsay. It will be up to the Appeal Panel members to consider the credibility of the evidence and the weight to give it.

The Panel will determine by at least three (3) affirmative votes: 1) whether the Protest was submitted timely; 2) whether the Protest is based on at least one of the three designated grounds identified above; and 3) whether the grounds on which the Protest are based have been substantiated.

If any of the grounds are determined to be valid, the Panel will also decide if the valid portion of the Protest has so tainted the RFP process that it is unfair to the Proposer or whether the valid grounds for the Protest are in the nature of harmless error and that the RFP process was fair to the Proposer. The Panel will not re-evaluate the Proposals.

The Purchasing Agent shall notify the Proposer making the Protest of the decision, within a reasonable timeframe prior to the tentatively scheduled date for awarding the Contract. The decision of the Appeal Panel shall be deemed final. If the Contract must be approved by the Board, after receiving a decision from the Purchasing Agent or Appeal Panel, the Proposer may then present its Protest to the Clerk of the Board of Supervisors for the Board's review and decision. The Proposer must file its written Protest with the Clerk of the Board or provide a verbal Protest (typically limited to three minutes) prior to the Board making a decision on the Contract. Any decision of the Board shall be deemed final.

A Proposer protesting the results of any of the processes described herein must follow the procedures set forth. By submitting a "Letter of Intent to Protest", the Proposer has agreed that the protest procedures herein shall precede any action in a judicial or quasi-judicial tribunal regarding this Proposal. Protests that do not follow these procedures shall not be considered. The protest procedures constitute the sole administrative remedy available to the Proposer under this RFP. Upon exhaustion of this remedy no additional recourse is available.

VII. TERMS AND CONDITIONS

The selected Proposer will be required to enter into a formal Contract with the County. This Exhibit sets forth some of the general provisions which will be included in the final Contract. In submitting a response to this RFP, Proposer will be deemed to have agreed to each clause unless the Proposal identifies an objection and County agrees to a change of language in writing. The report shall be made to the supervisor or manager charged with supervision of the employee or to the County Administrative Office. In the event of a termination under this provision, the County is entitled to pursue any available legal remedies.

19. Informal Dispute Resolution

In the event the County determines that service is unsatisfactory, or in the event of any other dispute, claim, question or disagreement arising from or relating to this Contract or breach thereof, the parties hereto shall use their best efforts to settle the dispute, claim, question or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties.

20. Legality and Severability

The parties' actions under the Contract shall comply with all applicable laws, rules, regulations, court orders and governmental agency orders. The Consultant shall maintain these licenses, permits, and/or certifications in effect for the duration of this Contract. Consultant will notify County immediately of loss or suspension of any such licenses, permits, and/or

certifications. Failure to maintain required licenses, permits, and certifications may result in immediate termination of this Contract.

22. Material Misstatement/Misrepresentation

If during the course of the administration of this Contract, the County determines that Consultant has made a material misstatement or misrepresentation or that materially inaccurate information has been provided to the County, this Contract may be immediately terminated. If this Contract is terminated according to this provision, the County is entitled to pursue any available legal remedies.

23. Mutual Covenants

The parties to this Contract mutually covenant to perform all of their obligations hereunder, to exercise all discretion and rights granted hereunder, and to give all consents in a reasonable manner consistent with the standards of "good faith" and "fair dealing".

24. Nondisclosure

Consultant shall hold as confidential and use reasonable care to prevent unauthorized access by, storage, disclosure, publication, dissemination to and/or use by third parties of, confidential information that is either: (1) provided by the County to Consultant or an agent of Consultant or otherwise made available to Consultant or Consultant's agent in connection with this Contract; or, (2) acquired, obtained, or learned by Consultant or an agent of Consultant in the performance of this Contract. For purposes of this provision, confidential information means any data, files, software, information or materials in oral, electronic, tangible or intangible form and however stored, compiled or memorialize and includes, but is not limited to: technology infrastructure, architecture, financial data, trade secrets, equipment specifications, user lists, passwords, research data, and technology data.

25. Notice of Delays

Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within twenty-four (24) hours, give notice thereof, including all relevant information with respect thereto, to the other party.

26. Ownership of Documents

All documents, data, products, graphics, computer programs and reports prepared by Consultant pursuant to the Contract shall be considered property of the County upon payment for services (and product, if applicable). In the performance of this Contract, Consultant, its agents and employees, shall act in an independent capacity and not as officers, employees, or agents of the County of San Bernardino. Any provision of this Contract that may appear to give the County any right to direct the Consultant concerning the details of performing the services/Scope of Work, or to exercise any control over such performance, shall mean only that the Consultant shall follow the direction of the County concerning the end results of the performance.

29. Release of Information

No news releases, advertisements, public announcements or photographs arising out of this the Contract or Consultant's relationship with County may be made or used without prior written approval of the County.

30. Strict Performance

Failure by a party to insist upon the strict performance of any of the provisions of this Contract by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Contract thereafter.

31. Subcontracting

Consultant agrees not to enter into any subcontracting Contracts for work contemplated under the Contract without first obtaining written approval from the County. Any subcontractor shall be subject to the same terms and conditions as Consultant. Consultant shall be fully responsible for the performance and payments of any subcontractor's contract.

Consultant shall obtain County's written consent, which County may withhold in its sole discretion, before entering into Contracts with or otherwise engaging any subcontractors who may supply any part of the Services to County. At County's request, Consultant shall provide information regarding the subcontractor's qualifications and a listing of a subcontractor's key personnel including, if requested by the County, resumes of proposed subcontractor personnel. Consultant shall remain directly responsible to County for its subcontractors and shall indemnify County for the actions or omissions of its subcontractors under the terms and conditions specified herein. All approved subcontractors shall be subject to the provision of this contract applicable to Consultant Personnel, including removal.

For any subcontractor, Consultant shall:

- 31.1 Be responsible for subcontractor compliance with the Contract and the subcontract terms and conditions; and
- 31.2 Ensure that the subcontractor follows County's reporting formats and procedures as specified by County.
- 31.3 Include in the subcontractor's subcontract substantially similar terms as are provided in Articles B. Consultant Responsibilities and C. General Contract Requirements .

Upon expiration or termination of this Contract for any reason, County will have the right to enter into direct Contracts with any of the Subcontractors. Consultant agrees that its arrangements with Subcontractors will not prohibit or restrict such Subcontractors from entering into direct Contracts with County.

32. Subpoena

In the event that a subpoena or other legal process commenced by a third party in any way concerning the Goods or Services provided under this Contract is served upon Consultant or County, such party agrees to notify the other party in the most expeditious fashion possible following receipt of such subpoena or other legal process. Consultant and County further agree to cooperate with the other party in any lawful effort by such other party to contest the legal validity of such subpoena or other legal process commenced by a third party as may be reasonably required and at the expense of the party to whom the legal process is directed, except as otherwise provided herein in connection with defense obligations by Consultant for County.

33. Termination for Convenience

The County and the Consultant each reserve the right to terminate the Contract, for any reason, with a thirty (30) day written notice of termination. Such termination may include all or part of the services described herein. Upon such termination, payment will be made to the Consultant for services rendered and expenses reasonably incurred prior to the effective date of termination. Upon receipt

of termination notice Consultant shall promptly discontinue services unless the notice directs otherwise. Consultant shall deliver promptly to County and transfer title (if necessary) all completed work, and work in progress, including drafts, documents, plans, forms, data, products, graphics, computer programs and reports.

34. Time of the Essence

Time is of the essence in performance of this Contract and of each of its provisions.

35. Venue

The parties acknowledge and agree that this Contract was entered into and intended to be performed in San Bernardino County, California. The parties agree that the venue of any action or claim brought by any party to this Contract will be the Superior Court of California, San Bernardino County, San Bernardino District. Each party hereby waives any law or rule of the court, which would allow them to request or demand a change of venue. If any action or claim concerning this Contract is brought by any third-party and filed in another venue, the parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, San Bernardino County, San Bernardino District.

36. Successors and Assigns

This Contract shall be binding upon County and Consultant and their respective successors and assigns.

Neither the performance of this Contract, nor any part thereof, nor any monies due or to become due thereunder may be assigned by Consultant without the prior written consent and approval of County.

Death or Incapacity: If the Consultant transacts business as an individual, his/her death or incapacity shall automatically terminate this Contract as of the date of such event, and neither he/she nor his/her estate shall have any further right to perform hereunder, and County shall pay him/her or his/her estate the compensation payable under Article F, Fiscal Provisions, for any services rendered prior to such termination not heretofore paid, reduced by the amount of additional costs which will be incurred by County by reason of such termination. If there be more than one Consultant and any one of them die or become incapacitated and the others continue to render the services covered herein, County will make payment to those continuing as though there had been no such death or incapacity and County will not be obliged to take any account of the person who died or became incapacitated or to make any payments to such person or his estate. The provision shall apply in the event of progressive or simultaneous occasions of death or incapacity among any group of persons named as Consultant herein, and if death or incapacity befalls the last one of such group before this Contract is fully performed, then the rights shall be as if there had been only one Consultant.

37. Copyright

County shall have a royalty-free, non-exclusive and irrevocable license to publish, disclose, copy, translate, and otherwise use, copyright or patent, now and hereafter, all reports, studies, information, data, statistics, forms, designs, plans, procedures, systems, and any other materials or properties developed under this Contract including those covered by copyright, and reserves the right to authorize others to use or reproduce such material. All such materials developed under the terms of this Contract shall acknowledge the County as the funding agency and Consultant as the creator of the publication. No such materials or properties produced in whole or in part under this Contract shall be subject to private use, copyright or patent right by Consultant in the United States or in any other country without the express written consent of County. Copies of all educational and training materials, curricula, audio/visual aids, printed material, and periodicals, assembled pursuant to this Contract must be filed with the County prior to publication.

38. Artwork, Proofs and Negatives

All artwork, proofs and/or negatives in either print or digital format for this product are the property of the County. These items must be returned to the County within ten (10) calendar days, upon written

notification to the Consultant. In the event Consultant fails to return the documents, the County is entitled to pursue any available legal remedies. In addition, the Consultant will be barred from all future solicitations, for a period of at least six (6) months.

39. Fiscal Provisions

- a. The maximum amount of reimbursement/payment under this Contract shall be subject to availability of funds to the County. The consideration to be paid to Consultant, as provided herein, shall be in full payment for all Consultant's Services and expenses incurred in the performance hereof, including travel and per diem.
- b. Consultant shall provide County itemized monthly invoices, in arrears, and in a format acceptable to the County for Services performed under this Contract within twenty (20) days of the end of the previous month. The County shall make payment to Consultant within sixty (60) working days after receipt of invoice or the resolution of any billing dispute.
- c. Consultant shall accept all payments from County via electronic fund transfer (EFT) directly deposited into the Consultant's designated checking or other bank account. Consultant shall promptly comply with directions and accurately complete forms provided by County required to process EFT payments.
- d. County is exempt from Federal excise taxes and no payment shall be made for any personal property taxes levied on Consultant or on any taxes levied on employee wages. The County shall only pay for any State or local sales or use taxes on the Services rendered or equipment and/or parts supplied to the County pursuant to the Contract.
- e. Costs for Services under the terms of this Contract shall be incurred during the Contract period except as approved by County. Consultant shall not use current year funds to pay prior or future year obligations.

40. Errors, Omissions and/or Conflicts

Consultant shall be responsible for the integrity of all design and research studies prepared or approved by the Consultant and should County suffer damages due to errors, omissions, and/or conflicts within the such documents, the Consultant shall be responsible to County for costs of all such damages.

41. Conflict of Interest

Consultant shall make all reasonable efforts to ensure that no conflict of interest exists between its officers, employees, or subcontractors and the County. Consultant shall make a reasonable effort to prevent officers, employees, subcontractors, or members of governing bodies from using their positions for purposes that are, or give the appearance of being motivated by a desire for private gain for themselves or others such as those with whom they have family business, or other ties. Officers, employees, and agents of cities, counties, districts, and other local agencies are subject to applicable conflict of interest codes and state law. In the event the County determines a conflict of interest situation exists, any increase in costs, associated with the conflict of interest situation, may be disallowed by the County and such conflict may constitute grounds for termination of the Contract. This provision shall not be construed to prohibit employment of persons with whom Consultant's officers, employees, or agents have family, business, or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicant.

42. Compliance with Laws and Regulations. Consultant shall comply with all applicable federal, state, and local laws, regulations and ordinances.

43. No Duplication of Benefits. Consultant must ensure, to the greatest extent feasible, that any ERAP assistance provided to an eligible household is not duplicative of any other federal or State-funded assistance provided to that eligible household.

B. Indemnification and Insurance Requirements

1. Indemnification

For contracts involving technology, software or other intellectual property, the following paragraph applies: Consultant will indemnify, defend, and hold harmless County and its officers, employees, agents and volunteers, from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement of any United States patent, copyright, trademark or trade secret (Intellectual Property Rights) by any Goods or Services. If a credible claim is made or threatened, including without limitation the filing of a lawsuit against County, or County receives a demand or notice claiming actual or potential infringement or misappropriation of any Intellectual Property Rights, County will use reasonable efforts to notify Consultant promptly of such lawsuit, claim or election. However, County's failure to provide or delay in providing such notice will relieve Consultant of its obligations only if and to the extent that such delay or failure materially prejudices Consultant's ability to defend such lawsuit or claim. County will give Consultant sole control of the defense (with counsel reasonably acceptable to County) and settlement of such claim; provided that Consultant may not settle the claim or suit absent the written consent of County unless such settlement (a) includes a release of all claims pending against County, (b) contains no admission of liability or wrongdoing by County, and (c) imposes no obligations upon County other than an obligation to stop using the Goods or Services that are the subject of the claim. In the event that Consultant fails to or elects not to defend County against any claim for which County is entitled to indemnity by Consultant, then Consultant shall reimburse County for all reasonable attorneys' fees and expenses within thirty (30) days from date of invoice or debit memo from County. After thirty (30) days, County will be entitled to deduct any unpaid invoice or debit memo amount from any amounts owed by County to Consultant. This shall not apply to any judgment or settlement amount, which amounts County shall be entitled to notify, invoice or debit Consultant's account at any time; and County, at its sole discretion, may settle the claim or suit.

If, in Consultant's opinion, any goods or Services become, or are likely to become, the subject of a claim of infringement of Intellectual Property Rights, Consultant may, at its option: (i) procure for County the right to continue using the goods or receiving the Services; (ii) replace or modify the goods or Services to be non-infringing, without incurring a material diminution in performance or function; or (iii) if neither of the foregoing is feasible, in the reasonable judgment of Consultant, County shall cease use of the goods or Services upon written notice from Consultant, and Consultant shall provide County with a pro-rata refund of the unearned fees paid by County to Consultant for such goods or Services.

For all other services, the following indemnification paragraph applies: Consultant agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless the County and its authorized officers, employees, agents and volunteers (Indemnitees) from any and all claims, actions, losses, damages and/or liability arising out of this Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of Indemnitees. The Consultant indemnification obligation applies to the County's "active" as well as "passive" negligence but does not apply to the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.

Additional Insured

All policies, except for the Workers' Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of

Services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

Waiver of Subrogation Rights

The Consultant shall require the carriers of the required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, Contractors, and Subcontractors. All general or auto liability insurance coverage provided shall not prohibit the Consultant and Consultant's employees or agents from waiving the right of subrogation prior to a loss or claim. The Consultant hereby waives all rights of subrogation against the County.

Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

Severability of Interests

Consultant agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the Consultant and County or between the County and any other insured or additional insured under the policy.

Proof of Coverage

Consultant shall furnish Certificates of Insurance to the County Department administering the Contract evidencing the insurance coverage at the time the Contract is executed, additional endorsements, as required shall be provided prior to the commencement of performance of Services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and Consultant shall maintain such insurance from the time Consultant commences performance of Services hereunder until the completion of such Services. Within fifteen (15) days of the commencement of this Contract, Consultant shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A-VII".

Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

Failure to Procure Coverage

In the event that any policy of insurance required under this contract does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Contract or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by the Consultant or County payments to the Consultant(s)/Applicant(s) will be reduced to pay for County purchased insurance.

Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not

available, is unreasonably priced, or is not needed to protect the interest of the County. In addition, if Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change these insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Consultant agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

2. Insurance Specifications

Consultant agrees to provide insurance set forth in accordance with the requirements herein. If Consultant uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Consultant agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Consultant shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

Workers' Compensation/Employers Liability

If Consultant has no employees, it may certify or warrant to County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

Consultant shall cooperate with the County in the implementation, monitoring and evaluation of this Contract and comply with any and all reporting requirements established by the County. Consultant shall repay to County within thirty (30) days of receipt of audit findings any reimbursements made by County to

Consultant that are determined by subsequent audit to be unallowable pursuant to the terms of this Contract or by law.

2. Records

Consultant shall maintain all records and books pertaining to the delivery of Services under this Contract and demonstrate accountability for Contract performance. All records shall be complete and current and comply with all Contract requirements. Failure to maintain acceptable records shall be considered grounds for withholding of payments for invoices submitted and/or termination of Contract.

Records should include primary source documents. If these representatives are unable to resolve the dispute within ten (10) days after the representatives have commenced negotiations, or 20 days have passed since the initial request for negotiations at this level, the Parties may agree in writing to submit the dispute to mediation.

The election of any one or more remedies by either Party shall not constitute a waiver of the right to pursue other available remedies.
