Senate Bill 415/City of Burbank Measure V...

In 2015, the State Legislature adopted and signed Senate Bill (SB) 415, and it was determined by California Attorney General that SB 415 does apply to Charter Cities as well as General Law Cities. SB 415 required cities with voter turnout rates lower than that of statewide elections to consolidate with the State. In compliance with SB 415, the City of Burbank General Municipal Election would have to align with statewide election dates.

In June 2018, the Electors of the City of Burbank passed Measure V which moved the City of Burbank's General Municipal Elections from February and April of odd-numbered years to coincide with the Statewide General Election in November of even-numbered years.
