Digital Resources for You

Make the most of your OC Pubic Libraries card by discovering digital resources. At this event you will learn about apps such as Libby and Hoopla and our databases. Learn how to find favorite authors and download ebooks and eaudiobooks to your device. The Hoopla app offers music and movies to check out with your OC Public Libraries card too.

The apps work well with many different kinds of devices– bring your smart phone, tablet, iPhone or iPad, Kindle or Nook to the event.
This event will be held in the Villa Park Community Room.
