Only borrow what you need (we strongly encourage you to borrow less than the annual limit). You should consider your expenses and your income (including financial aid) to determine this amount.

How much do you need to borrow? (You must enter an amount)

By checking the boxes below, I certify that I read and understand that:

- This is a loan and must be repaid with accrued interest.
- This loan is to be used for educationally related expenses.
- I must have a signed Master Promissory Note (MPN) to receive this loan, and collection of all debts acquired under this MPN is fully enforceable in a court of law (www.studentaid.gov).
- I must have completed the Direct Loan Entrance Counseling to receive this loan (www.studentaid.gov).
- I must immediately notify the holder of my loan if my status changes and that failure on my part to adhere to the terms and conditions of my loan may result in default and may affect my rights as a student loan borrower.
- My loan(s) will be originated for the loan period that I may be eligible for and that the loan(s) may be prorated if my educational goal will be completed in less than a full academic year.
- I must be enrolled in at least six (6) approved units for my loan request to be certified. This means that if I had to appeal for an extension for Financial Aid and if my petition has been approved, only the classes listed on my Student Educational Plan may be counted in the approved units.
- My loan will be cancelled if my enrollment is less than six (6) approved units at the time of my loan disbursement.
- I have visited the National Student Loan Data System at www.studentaid.gov to view my past loan activity and I am aware of my student loan balance.

As a new loan borrower, I understand that my first loan disbursement will be delayed thirty (30) days from the first day of semester.

I understand I may be awarded Unsubsidized Direct Student Loan if the amount I request exceeds my subsidized loan eligibility. This may be due to SULA, high EFC, loan aggregate limits, or other reason(s).
