

City of Bell Police Department Complaint Form

"Commitment to Service"

The City of Bell Police Department is committed to the citizens we serve. We strive for excellence and are a professional organization.

You have the right to make a complaint against a police officer for any improper police conduct. California Law requires this agency to have a procedure to investigate citizens' complaints. You have a right to a written description of this procedure. This agency may find after investigation that there is not enough evidence to warrant action on your complaint; even if that is the case, you have the right to make the complaint and have it investigated if you believe an officer behaved improperly. Citizen complaints and any reports or findings relating to complaints must be retained by this agency for at least five years.

When you have completed your complaint please return to the Bell Police Department.
