No animal (whether mammal, reptile, fowl, insect, or other) shall be kept on any real property within the City **EXCEPT** with an animal permit issued by the City Council.

The permit shall be subject to all terms and conditions of Chapter 6.13 of the Weed Municipal Code and any additional conditions deemed necessary by the City to protect the public health, safety and welfare.

Included with the information required prior to issuance of the permit must be a scaled diagram that indicates the location of any facilities for the keeping of the animal(s), and the approximate size and distance from adjoining structures and property lines. A permit for the keeping of animals may be revoked or suspended by the City Council for any violation of Chapter 6.13 following written notice and a public hearing.

I will at all times keep the animal(s) in accordance with this ordinance and all the conditions prescribed by the City Council and/or Animal Control Officer. I understand failure to obey such conditions will constitute a violation and grounds for cancellation of the permit. If I will no longer be keeping the animal(s) on my premise, any facilities constructed or maintained shall be immediately removed from said premises after the expiration of the permit or shall be removed within 30 days upon ceasing to use the facilities. If my premises are subject to private restrictions and/or covenants that prohibit the keeping of animal(s), any permit issued to me for the keeping of the same will be void.

I understand the above restrictions on the issuance of a permit and am submitting this application in compliance with Chapter 6.13 and have fully read and understand Chapter 6.13 of the Municipal Code of the City of Weed.
