Recommendations	Ratify the submission deadline extension for the RFP 10-01 (Affected Districts: All) (Presenter: Mary Alvarez, Staff Analyst, 387-1508)
Background Information	<p>The Request for Proposals for Desired Results RFP 10-01 was approved at the January 6, 2010 commission meeting. The RFP stated that the proposal submission deadline was 4:00 PM, PST on Friday February 12, 2010.</p> <p>First 5 San Bernardino held a Mandatory Proposal Conference on Thursday, January 21, 2010 at the Inland Regional Center – Conference Center Auditorium from 9:00 AM – Noon to provide an opportunity to interested Proposers with an overview of the RFP and question and answer sessions. Approximately 217 people were in attendance. Due to the storm and extreme weather conditions, several interested agencies from the Mountains and desert regions were unable to travel to San Bernardino to attend the Proposal Conference. The decision was made to extend an opportunity to attend a make-up Proposal Conference which was held on Thursday, January 28, 2010. The make-up session afforded all interested parties the opportunity to receive information about the RFP and to submit questions.</p> <p>Taking into consideration the aforementioned circumstances, commission staff determined it was best to extend the proposal submission deadline to 4:00 PM, PST on February 19, 2010. Extending the deadline for proposal submission affords interested and qualified proposers to be better prepared to submit a quality proposal. The new deadline information was properly posted on all applicable media outlets.</p>
