Environmental Impact Assessment

FORM PS-205

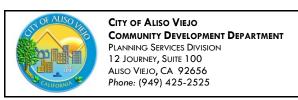

Applicatio	on Numb	er(s):	Date Filed:
Project De	escription	n:	
A brief ex nto accou	planation	n is re tire a	ACT ASSESSMENT: equired for all questions that constitute a "Yes" answer on page two (2). All answers must take ction involved, including off-site as well as on-site, cumulative as well as project-level, indirect enstruction as well as operational impacts.
YES	NO		
		1.	Change in existing features of any bays, tidelands, beaches, lakes, hills or substantial alteration of ground contours.
		2.	Change in scenic views or vistas from existing residential areas or public lands or roads.
		3.	Change in pattern, scale or character of general area of project.
		4.	Significant amounts of solid waste or litter.
		5.	Change in dust, ash, smoke, fumes or odors in vicinity.
		6.	Change in ocean, bay, lake, stream or ground water quality or quantity, or alteration of existing drainage patterns.
		7.	Substantial change in existing noise or vibration levels in the vicinity.
		8.	Site on filled land or on slope of 10 percent or more.
		9.	Use or disposal of potentially hazardous materials, such as toxic substances, flammables or explosives.
		10.	Substantial change in demand for municipal services (police, fire, water, sewage, etc.).
		11.	Substantial increase in fossil fuel consumption (electricity, oil, natural gas, etc.).
		12.	Relationship to a larger project or series of projects.
		13.	Has a prior environmental impact report been prepared for a program, plan, policy or ordinance consistent with this project?
		14.	If you answered yes to question 13, will this project cause significant effects on the environment that were not examined in the prior EIR?

Evnl	anations: (attach separate sheets if necessary)
1 <i>5</i> .	Describe the project site, as it exists before the project, including information on topography, soil stability, plants and animals, and any cultural, historical or scenic aspects. Describe any existing structures on the site and use of the structures. Attach photographs of the site.
16.	Describe the surrounding properties, including information on plants and animals and any cultural, historical or scenic aspects. Indicate the type of land use (residential, commercial, etc.), intensity of land use (one-family, apartment houses, shops, department stores, etc.), and scale of development (height, frontage, setback, rear yard, etc.). Attach photographs of the vicinity.
-	
7.	List and describe other related permits and public approvals required for this project, including those required by city, regional, state and federal agencies.
CITY	//CEQA PROCESS: (please initial below)
	_ The Director of Planning Services (Director) will determine whether the activity is a "project".
	_ If the activity is a "project", the Director will determine if the project is exempt from further CEQA analysis:
	• If the project is exempt, a CEQA fee is added to the application amount and a \$84 check payable to the "Orange County Clerk Recorder" will be required to be submitted to staff with two (2) days of a City determination.
	_ If the activity is a "project" and it is not deemed exempt:
	 The Director will request bids from three (3) environmental consultants to prepare an Initial Study and subsequent environmental documentation; and will select consultant with applicant's input.
	 The Applicant shall provide a check payable to the "City of Aliso Viejo" for the amount identified in the consultant's proposal.
	• The City shall execute a contract with the selected consultant for the amount identified in the proposal and on deposit with the City.
	 Following completion of the document, specified consultation/noticing period, and a determination by the City, the Applicant shall provide staff with a check payable to the "Orange County Clerk Recorder" for the applicable Fish and Game and administrative fees within two (2) business days of the City determination.
CED.	TIEIC A TION.

CERTIFICATION:

I hereby certify that statements furnished above, and in the attached exhibits, present the data and information required for this initial evaluation to the best of my ability, and that facts, statements and information presented are true and correct to the best of my knowledge and belief.
