

Environmental Health Complaint Box

Environmental Health responds to code complaints which generally involve surfacing sewage, food facilities, hazardous materials, public pools and water systems, noise, and other un-permitted land use issues. Use the form below to submit a code violation complaint about a property, business, or other location. Please be specific about the location or facility involved. If you do not know the address, please describe as accurately as possible where the violation exists (nearest cross road, across the street from, landmarks, etc.) We will make every effort to pursue the concerns you have presented and will contact you if we are in need of additional information. Your name and contact information will be kept confidential to the extent we are legally entitled to do so.
