Project Title: Woodstove Replacement Program

Project Location - Specific: Private residence and business locations throughout Alpine County

Project Location - City:

Project Location - County: Alpine

Description of Nature, Purpose and Beneficiaries of Project:

The Woodstove Replacement Program is funded and administered by the *Clean Air Projects Program*, a joint project of the Great Basin Unified Air Pollution Control District and Los Angeles Department of Water and Power. WRP is intended to identify and replace non-EPA compliant wood burning systems throughout Alpine County with new, EPA Phase 2 heating appliances, thereby providing more efficient and cleaner burning heating systems that result in significantly less wood smoke particulate emissions throughout the county and beyond.

Installations of new heating systems will be conducted by local woodstove and heating equipment retailers as contracted by the Great Basin Unified Air Pollution Control District.
