INSTRUCTIONS

How to Calculate the National Registry Fee

There is a $25 fee for each appraiser that has performed one or more appraisals for the Appraisal Management Company (AMC) in connection with a covered transaction during the 12 month period (reporting period). The reporting period is 12 months from issuance of the initial registration or renewal on or after June 1, 2020, and every 12 months thereafter. Multiply the number of these appraisers by $25 to calculate the amount needed for the National Registry Fee.

Include a $110 Bureau processing fee and submit the total amount to the Bureau within 30 days of the end of the reporting period.
