INTERVENTION EVALUATION COMMITTEES

The Board of Registered Nursing is now accepting applications for its Intervention Evaluation Committees (IECs). These committees, which are composed of registered nurses, physicians and public members, are integral parts of the Board's Intervention Program for chemically dependent and mentally impaired nurses.

In making a determination to apply, the following factors should be considered:

EXPERTISE - Members must have demonstrated expertise in the field of substance use disorders and/or mental health.

TIME – A minimum of four days per year will be required for committee meetings. Committee members must be available for telephone consultation with program staff relative to program participants and other program issues. The appointments are for a term of two to four years.

FINANCIAL REIMBURSEMENT – Committee members will be reimbursed for travel expenses (i.e., transportation, meals and lodging at the prevailing state rate) and will receive \$100/day per diem for attendance at each committee meeting and \$100 for preparation for the meeting.

RESPONSIBILITIES – As part of the committee, evaluate and determine which registered nurses will be admitted to the Program; develop a rehabilitation plan for each participant; determine whether the participant may safely continue or resume the practice of nursing; and receive and review information pertaining to program participants.

CONFLICT OF INTEREST – The Department of Consumer Affairs' Conflict of Interest Code (16 CCR § 3830) requires certain designated employees, including IEC members, to file annual financial disclosure statements (Statements of Economic Interest). All new appointees will be provided with the Fair Political Practices Commission's Statement of Economic Interest Form 700.

IEC members cannot be involved in any other program components of the BRN's Intervention Program. Other program components include Nurse Support Group Facilitator/Co-Facilitator, Expert Witness, Nurse Consultant. The Intervention Program is contracted to a private contractor outside of State service. IEC members cannot be involved with the contractor as staff or Clinical Assessors.

EQUIPMENT – It is required that you have a personal laptop/tablet and access to internet in order to obtain confidential participant records.

If you have any questions regarding the application or the Intervention Program, please call the Intervention Unit at (916) 574-7692.
