MENTAL HEALTH REHABILITATION CENTER AFFIDAVIT REGARDING CLIENT MONEY

In accordance with California Code of Regulations, Title 9, Section 783.20, this form is intended to ensure that all licensed mental health rehabilitation centers comply with regulatory and statutory bonding requirements if they handle client money. This form is required on all new and renewing applications and whenever the Department of Health Care Services (DHCS) deems it is necessary to reevaluate the bonding need of a mental health rehabilitation center.

RELEASE OF INFORMATION STATEMENT

The information provided on this form is mandatory and is necessary for licensure approval. It will be used to determine individual applicant's or applicant facility's ability to provide mental health services. The information is requested by the California Department of Health Care Services, Licensing and Certification, in accordance with Welfare and Institutions Code, Section 5675, Health and Safety Code, Section 1318 and California Code of Regulations, Title 9, Section 783.20.

Failure to provide the information as requested or submission of willful false statements may result in nonissuance of a license or license revocation.
