P3a.   Description:
This residence was originally constructed as hip roof building with a front gable projecting wing on the east side circa the early 20th century. A residence of similar form appears on the 1913 Sanborn Map at the same location. It has been substantially altered from its original historic appearance and no longer conveys its significance as a contributor to the Benicia Downtown Historic District. Changes include complete alteration of original cladding, replacement of all windows and doors, enclosure of the original porch and re-orientation of the entry to a side location. The building lacks integrity of design, materials, workmanship, association and feeling
