Assessor-Recorder-County Clerk

Re: Landlord Report of Tenants

Dear Property Owner:

Please complete the enclosed Landlord Report of Tenants and return it by October 1.

My office is required by law to identify and assess all taxable property in San Bernardino County. Taxable property can include both real estate and personal property. We use the information you and other property owners provide in these reports to help identify the owners of all businesses in the county. We then send each business owner a Business Property Statement, which they are required by law to file each year to identify personal property used in their business which may be subject to taxation.

The information you provide is confidential and is not open to public inspection in accordance with Sections 408 and 451 of the Revenue and Taxation Code.

If you own a business on the property, please provide the information for your business in the space provided for the first tenant. If there are multiple tenants, please enter the street address including suite or unit number for each one along with the other requested information. If you receive multiple tax bills on this property because different portions of the real estate have different assessor parcel numbers, please complete and submit one report that covers all of the tenants on all of those parcels.

This information is requested in accordance with Section 441(d) of the Revenue and Taxation Code and your cooperation is greatly appreciated.

If you have any questions about this report, please contact the **Business Property Division** at (909) 382-3220 or **personalproperty@arc.sbcounty.gov** and we will be happy to assist you.

Sincerely,

BOB DUTTON Assessor-Recorder-County Clerk

Encl.
