## **Notification for Exporting Electronic Waste**

## Instructions

I. HANDLER INFORMATION

- This notification must be submitted to DTSC and your CUPA at least 60 days prior to the initial export of electronic devices, CRTs, or CRT glass to be in compliance with 22 CCR Section 66273.40.
- Completion of this notification is valid for the facility addresses indicated in this document, and expires one year after the shipment "begin date".
- You must keep all export related documents, including a copy of this notification, for three years from the first shipment date.
- You must also comply with the reporting requirements of the California Public Resource Code Section 42476.5 if you export covered electronic wastes (CRT devices; CRTs; LCD desktop monitors, TVs, and laptops; portable DVD players with LCD screens; or some plasma TVs)
