Executive Summary

ES-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The Coronavirus Aid, Relief and Economic Security Act (CARES Act) round one had made \$289,937 available to the City of Lakewood. The City of Lakewood City Council approved the Fiscal Year 2020-2024 Community Development Block Grant – Coronavirus (CDBG-CV) Consolidated Plan Substantial Amendment under the CARES Act on April 28, 2020. The CDBG-CV Substantial Amendment approved funding for the prevention of, preparation for and response to the Coronavirus. The approved activities include City Reimbursement (\$111,000), Planning and Administration (\$57,987), Business Support and Development (\$80,950), and Public Service providers (\$40,000).

The second Substantial Amendment is proposed to redirect a portion of CDBG-CV funds that were approved for City Reimbursement (\$16,350) and Business Support and Development (\$15,950) for a total of \$32,300 to Public Service providers. The Public Service providers include Meals on Wheels (\$4,000), Human Services Association (\$6,000), Community Family Guidance (\$6,000), Pathways Volunteer Hospice (\$4,000), Mothers at Work (\$6,000), Su Casa – Ending Domestic Violence (\$5,000) and Refresh Youth Center (\$1,323)

The 2020-2024 Consolidated Plan for the City of Lakewood satisfies the statutory Department of Housing and Urban Development (HUD) requirements for the Community Development Block Grant (CDBG) Program. Under federal regulations and program guidelines established by HUD, the reporting requirements for this program must be combined into one consolidated submission. The process reduces the burden of administering housing and community development programs and strengthens partnerships among all levels of government and the private sector to better enable the City to provide decent housing, establish and maintain a suitable living environment, and expand economic opportunities for all Americans, particularly those that are low and moderate-income.

The Strategic Plan and Action Plan contained within the City of Lakewood 2020-2024 Consolidated Plan (Consolidated Plan) are provided to establish a specific course of action for Lakewood’s revitalization of community development. To this end, residents and other members of the community, neighboring jurisdictions, Los Angeles County and other stakeholders play a vital role in meeting the needs and goals of the City and in shaping Lakewood’s future.

2. Summary of the objectives and outcomes identified in the Plan Needs Assessment Overview

The City of Lakewood has prepared a strategy for addressing the housing and community development needs described in the Consolidated Plan during the next five years. By law, the strategy must be designed to achieve the following, principally for low and moderate-income households:

- Provide decent housing;
- Promote a suitable living environment; and
- Expand economic opportunities.

The plan also addresses:

- Elimination of slums and blight.
- Elimination of conditions which are detrimental to health, safety, and public welfare.
- Conservation and expansion of housing stock.
- Expansion and improvement of the quantity and quality of community services.
- Better utilization of land and other natural resources.
- Reduction of the isolation of income groups within communities/geographical areas.
- Alleviation of physically and economically distressed areas.

For more details regarding the specific listed objectives and outcome identified in this Plan, please see Section III: Housing and Community Development Strategic Plan. This section discusses the goals, policies, and quantified objectives of the community as listed in the City's Housing Element as well as other Lakewood Planning and policy documents.

3. Evaluation of past performance

Lakewood, in partnership with non-profit organizations continues to monitor and evaluate the performance of the City's CDBG Programs to ensure regulatory compliance. The following list identifies some of the accomplishments realized during FY 2015-2019 (five year period covered by the previous Consolidated Plan):

- During the Fiscal Years 2015-2019 Five-Year Consolidated Plan a total of 47 Single-Family Rehabilitation Loans and 26 Fix-Up, Paint-Up Grants were processed to assist Lakewood's low income residents improve their homes.
- During Fiscal Years 2015-2019 over 1,200 residents were provided community services including congregate and delivered meals through Human Services Association and Meals on Wheels; counseling for abused and neglected children through Community Family Guidance; and Pathways Volunteer Hospice provided non-medical care and assistance to those facing end of life conditions.
- During Fiscal Years 2015-2019 over 2,000 code enforcement cases were processed.

- During Fiscal Years 2015-2019 Lakewood’s Fair Housing Consultant assisted over 1,200 persons experiencing fair housing issues.
- Lakewood’s assistance to Continuum of Care during Fiscal Years 2015-2019 consisted of serving over 230 persons experiencing homelessness. Services include case management, substance abuse counseling, mental health services, medical services, mainstream benefits, emergency shelter, and permanent housing.
- The Burns Community Center improvements were completed during Fiscal Year 2015-2019. The Burns Community Center received necessary upgrades to provide a safe and modernized ADA compliant building. The improvements included the replacement of a non ADA compliant elevator with a compliant elevator, replacement of damaged brick pavers, expansion of the assembly room, expansion of the kitchen utilized by Meals on Wheels, upgrade restrooms to be ADA compliant, add exterior door at exterior stairwell, install an automatic sliding door at entrance, modify window system on second floor, remove built up grade against building, construct a retaining wall, and remove existing siding on building.

The Lakewood Consolidated Plan embodies the City’s current Housing Element. Much of the background data, housing issues, goals, objectives, policies and programs of the Consolidated Plan are consistent with the Housing Element, which was last updated on August 13, 2013. The 2010 US Census and updated data from the 2011-2015 and 2013-2017 American Community Survey (ACS) were also used to accurately reflect current demographics and market and inventory conditions. Based upon the Housing Element's goals and objectives, they are then carried forward into the Consolidated Plan as well as the Annual Action Plan for implementation.

At the end of every fiscal year, the City submits its Consolidated Annual Performance Evaluation Report (CAPER) which provides a clear picture of the past year's performance based upon the set goals and objectives. Historically, the City has scored satisfactorily in meeting all of the required and proposed goals and projects.

4. Summary of citizen participation process and consultation process

Citizen participation in the development, implementation and review of the Consolidated Plan is key to the CDBG process. The City has developed a detailed Citizen Participation Plan, which encourages and solicits the participation of its residents and emphasizes the involvement of low to moderate income persons, particularly where housing and community development funds are spent.

The City provides citizens with advance notice of all related materials available for public review as soon as the notice is published. The citizen participation process for the FY 2020-2024 Consolidated Plan Substantial Amendment CDBG-CV CARES Act includes a 5-day public review period of the Amendment to obtain citizen input.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

Lakewood is faced with meeting challenging new state laws and increasing needs of the community while funding from state and federal resources fluctuates and / or decreases.

Table 54 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Lakewood’s sole funding source is CDBG, therefore, leveraging additional resources and satisfying matching requirements is not applicable to Lakewood. However, the City partners with a private waste disposal company to offer an annual Neighborhood Clean-Up Program that is operated through the City’s Code Enforcement program. The program provides assistance to tenants and property owners in disposing of unsightly and unwanted debris in neighborhoods identified as needing assistance. Each year

a total of six clean-up events are scheduled and each event has three 40-yard roll-off bins or more available to the residents in the vicinity of the bin. Neighborhood residents are notified of the event date and community volunteer assistance is provided. The private waste disposal company donates the bins for this yearly event saving the City \$9,111.96 in rental fees.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Lakewood operates many of the CDBG funded programs and non-CDBG funded programs from City property. For example, Meals on Wheels, Project Shepard, and homeless services are operated out of the Burns Community Center. Human Services Association is operated out of Weingart Senior Center, LAHSA's annual homeless count is operated out of the Mayfair Park Swim Pavilion and Fair Housing services are operated out of Lakewood City Hall.

The Recreation and Community Services Department offer many programs to assist Lakewood's youth. For example, After School Activity Zone is a free drop-in after school program for school-age children, teens and preteens and is held at city parks. Activities include playground games, arts and crafts, homework help and organized sports leagues through the Lakewood Youth Sports Program.
