PRIVACY STATEMENT

Pursuant to the Federal Privacy Act (P.L. 93-579) and the California Information Practices Act of 1977 (Civil Code Section 1798, et seq.), notice is given for the request of the Social Security Number (SSN) on this form and for information pertaining to your personal background--specifically, any criminal or administrative actions taken by a governmental entity against you

Social Security Number: The California Department of Health Care Services (DHCS) uses a person's SSN as an identifying number for internal verification and administrative purposes in connection with the criminal background check authorized under Welfare & Institutions Code Section 5405 and California Civil Code Section 1798.85(b). The requested SSN is voluntary. However, failure to provide the SSN may delay the processing of this form and the criminal record check.

Personal Background History: In order to obtain a license for or to work at a licensed facility, the law requires that you complete a criminal background check. See Welfare & Institutions Code Section 5405. The DHCS will create a file concerning your criminal background check that will contain certain documents, including information that you provide. The requested information is part of a background clearance process pursuant to Welfare and Institutions Code Section 5405 to obtain a license for or to work at a licensed facility. Failure to provide the information may result in your facility not being licensed or a denial of your ability to work at a licensed facility.

Obtaining information and access to your records: You have the right to access certain records containing your personal information maintained by the Department (Civil Code section 1798, et seq.). You may contact DHCS Criminal Background Check Unit using the contact information listed on page 3 of this document. This unit is responsible for the system of records and who shall upon request inform you of the location of your records and the categories of any person who uses the information in those records.
