Proposition 8 Process

State law provides for a temporary reduction of the assessed value of real property if the market value of the property as of January 1st is less than its assessed value. It is recommended that Prop 8 requests be completed and delivered to the Assessor's Office no later than August 1st. If a value reduction is appropriate, as determined by the Assessor prior to August 15th, the value can be corrected. If a Prop 8 reduction is granted, the reduced value will be reviewed annually until the property's factored base year value is fully restored.

After August 15th, if the Assessor does not agree to a reduction, or if the Assessor has not responded to your request, you must file an Assessment Appeal Application with the Clerk of the Assessment Appeals Board to request relief.

Assessment Appeals Process

The Assessment Appeals Board are independent panels established by the Board of Supervisors to hear and resolve assessment appeals. Appeals Applications must be filed between July 2nd and September 15th. Assessment Appeals Applications may be obtained by calling the Clerk of the Board at (408) 299-5088 or visiting www.sccgov.org/assessmentappeals.

Equalization

Prop 8 (Decline In Value) Requests must be based on sales comparables near in time to the lien date. Information based on the assessed values of neighboring properties will not be considered in a Prop 8 review.
