Note: This exemption change will not take effect until the application has been verified and approved by the Tax Administrator and processed by the utilities. The City has up to 60 days to process your request for exemption and if approved, notify the utility companies.

The exemption becomes effective on the beginning of the second regular billing period commencing after the utility company(s) have been notified.

It is a misdemeanor for any person to knowingly receive the benefits of the exemptions when the basis for the exemption does not exist or ceases to exist. It is your responsibility to notify the City, within 10 days, if there is a change in fact or circumstances which might disqualify you from receiving the exemption.

I am aware that if denied, I have the right to file an amended application, or to appeal the Tax Administrator's decision to the City Manager within a ten-day period after the mailing date of the Tax Administrator's notification.
