Our Holiday Camps promote creativity, athletics, and many other activities that encourage positive self-esteem and social interactions in a healthy and safe environment for children.

Due to the impact that COVID-19 has had on social interactions, our program will adhere to Los Angeles County COVID-19 Day Camp Operation Guidelines that include physical distancing, cleaning, and the inclusion of personal protective equipment required for both the staff and participants. Campers will be assigned to a permanent group throughout the duration of the program.

Camp COVID-19 Health Guidelines are available in our registration packet, as well as posted and available on site.
