CHINO HILLS POLICE DEPARTMENT TO HOST NEIGHBORHOOD WATCH MEETINGS FEBRUARY 12 & 13

Chino Hills, CA – The Chino Hills Police Department will host a crime prevention series of meetings for Neighborhood Watch groups, and those interested in forming or joining a group in their own neighborhoods. Residents north of Chino Hills Parkway should plan to attend Wednesday, February 12; and residents south of Chino Hills Parkway should attend on Thursday, February 13. The meetings are from 6:00 – 8:00 p.m. at the Chino Hills Community Center, 14250 Peyton Drive. A presentation will be provided on target hardening and observation skills. Translation services will be provided for Mandarin speakers. For more information, call (909) 364-2038. Please R.S.V.P. by sending an email to CH-CrimePrevention@sbcscd.org.

According to Dulce Stone, Crime Prevention Specialist, neighbors form Neighborhood Watch groups to get to know their neighbors and to assist law enforcement by being extra eyes and ears for reporting crime in their community. Members also learn crime prevention techniques to help prevent and reduce crime in their neighborhood. Law enforcement officials believe the best crime prevention is citizen attention.
