SUPPLEMENTAL INFORMATION AND/OR SKETCH OF JOB CONDITION

For the Building Official or designated appointee to approve a request for modification or a request for alternate material or method of construction, the Building Official must determine that special, individual reasons exist that make compliance with the strict letter of the ordinance impractical and that equivalency is provided for requests applicable to the State Housing Law. The resulting condition must be in conformance with the spirit and purpose of the ordinance involved. The applicant must provide sufficient information with this application to allow an appropriate evaluation to be made.
